Double Up Food Bucks 2020 Recap

- 2019 Earned: \$628,009
- 2020 Earned: \$1,124,768.09
- 2019 Spent: \$576,762
- 2020 Spent: \$884,991.97

Pandemic-Related Program Info

- Daily Earning Cap
 - Typically the earning cap is at \$20/day
 - Starting at the beginning of the pandemic in 2020, the earning cap was removed entirely
 - Beginning May 1st (or when your market opens) the earning cap is at \$50/day for the duration of 2021
- Pandemic EBT (P-EBT)
 - Any child who is eligible for free/reduced lunch will receive a P-EBT card
 - Each child in will receive their own card, it is not per family unit
 - Eligible for Double Up match
 - Track the number of P-EBT cards you encounter
 - Payments are retroactive to September, paid to cards through June

PANDEMIC-EBT (P-EBT) & DOUBLE UP FOOD BUCKS

P-EBT benefits are considered the same as SNAP, so you can use them to Double Up on healthy fruits and veggies the next time you shop!

Michigan recently announced the Pandemic-EBT (P-EBT) program, providing temporary food assistance benefits to families with school-aged children that are eligible for free and reduced-priced lunches. No application is necessary for eligible families to receive P-EBT benefits.

How do I get my P-EBT card?

Families with children eligible for P-EBT will receive a pre-loaded Bridge (EBT) Card in the mail.

Have questions about P-EBT? Please contact 1-833-905-0028.

Have questions about Double Up?

Call us at 866.586.2796 M-F 9am-5pm or email us at info@doubleupfoodbucks.org.

Tokens

You are fiscally responsible for the tokens distributed to your market(s)

Maintain accurate records

Conduct Accurate Counts

Formula for determining the number of tokens expected to have on-hand:

Received at Start of Season

- # Distributed to Customers

+ # Redeemed by Vendors

= Total On-Hand

Tokens

Best Practices

Fair Food Network will provide
silver aluminum Double Up tokens
worth \$2 each

Count your tokens before and after each market
day

Treat tokens like cash! Keep them safe, and NEVER
leave them unattended at the market

Pre-count tokens into \$20 bags

Use counting tools like poker chip trays or a coin
counter

Tokens are Universal

Can earned and spent on different days
at participating farmers markets

Can be earned and used at different
markets

Can be accumulated for large
purchases

Do not expire

Electronic Redemption Systems

Some farmers markets in Michigan accept Double Up Food Bucks using a card-based electronic system

If a customer comes to your market with a Double Up card, or says they have a “Loyalty” on their Bridge Card and you do NOT accept the card:

Explain that your market doesn't use an electronic system, and you do not have the technology to access their Double Up credits

The customer can participate in the token-based system at the market. Having Double Up loyalty or a card doesn't exclude anyone from also using tokens

Invite them to call the Double Up program hotline or email us if they have further questions, (866) 586-2796 or info@doubleupfoodbucks.org

Electronic Redemption Systems

If you have experienced a customer trying to use their Double Up card at your market or if you are interested in learning more about the Double Up card, email cstrome@fairfoodnetwork.org for more information

Double Up Food Bucks

Customer Transaction Record (Token)

Use a new customer transaction record for each market day. Calculate and report the weekly total dollar value of SNAP distributed, dollar value of Double Up distributed, total number of SNAP/Double Up transactions, and number of first time customers to report via online survey to Fair Food Network.

Market Date: June 1

Ask customer using these **exact** words:

Last 5 digits of EBT Card #	\$\$\$ SNAP (\$ from EBT Card)	# DUFB (# of silver tokens)	\$\$\$ DUFB (\$ value of tokens)	P-EBT Card?	"Is this your <u>first</u> time using your Bridge Card at <u>this</u> market?" Yes or No
1. 00000	\$ 15	7	\$ 14	Yes / No	Yes / No
2.	\$		\$	Yes / No	Yes / No
3.	\$		\$	Yes / No	Yes / No
4.	\$		\$	Yes / No	Yes / No
5.	\$		\$	Yes / No	Yes / No
6.	\$		\$	Yes / No	Yes / No
7.	\$		\$	Yes / No	Yes / No

What Happens at the Market

Things to consider

You will need the information recorded on the Customer Transaction Record sheet and the Vendor Record sheet to complete your **quarterly report**

Use the record sheets provided or collect the required information using your own forms/tools

Vendors

Communication and Education

The market is responsible for:

1. Ensuring the rules of the program are followed including monitoring vendors and enforcing appropriate use of Double Up in the market
2. Obtaining and keeping **signed Double Up Food Bucks Vendor Agreements prior to vendors accepting any Double Up tokens**
3. Distributing Double Up vendor stall signs and **enforcing the program expectation that vendors display the signs**
4. Redeeming vendors for Double Up Food Bucks and documenting these transactions

Vendors

Vendor Agreements

All participating vendors must submit a signed Vendor Agreement before accepting any Double Up Food Bucks tokens

Signed Vendor Agreements are important because:

- The vendors are provided with a set of clear expectations for participating in the program

- It provides proof, in writing that the vendor was informed of program rules

Double Up Food Bucks

2020 Vendor Agreement

SIGNED CONTRACT MUST BE ON FILE PRIOR TO REIMBURSEMENT

This agreement by and between (Market Name) _____

and (Vendor Business Name) _____

whose address is _____ city _____

state _____ zip _____ phone _____ email _____

is effective during the Double Up Food Bucks program season in 2020 at the Market (above). This agreement authorizes the Vendor (above) to accept Double Up at the specified market from authorized SNAP participants in exchange for eligible products in accordance with market and program guidelines.

SECTION I. BY SIGNING THIS AGREEMENT, THE VENDOR AGREES TO:

1. Display a sign, provided by the farmers market, indicating the Vendor accepts Double Up loyalty credits and/or tokens
2. Exchange Double Up incentives ONLY for eligible products with include: fresh fruit and vegetables grown within the state where the Market is located, plants and seeds that produce food, cut herbs and herb plants, and mushrooms.
3. Prove, upon request, that all product provided in exchange for Double Up incentives was grown within the state where the Market is located.
4. Not give change for purchases made with Double Up incentives

Vendors

Redemption & Reimbursement

Double Up Food Bucks tokens should be collected and reimbursed for on the **same schedule as SNAP** tokens/scrip

Use provided **record keeping tools** or add required information to current tools

Retaining a percentage of token based sales in order to recuperate administrative costs is **allowed and encouraged**

- ☐ Able to track
- ☐ Unable to track

Tracking Number of Transactions Using Double Up *

Firms are asked to provide the number of unique transactions using incentives. (e.g., Ten \$2 tokens redeemed at point-of-sale = 1 transaction).

*This is the number of SPEND/REDEMPTION transactions that took place at your site this month.

*Tracking this at Farmers Markets might look like vendors keeping a tally of each time a shopper spends Double Up at their booth. Tracking this at a Direct Marketing Site/Farm Stand might look like the staff keeping a tally of each time a shopper spends Double Up at the point of sale.

Does your firm have the ability to track this metric? You are not required to track this metric.

- ☐ Able to track
- ☐ Unable to track

Tracking Number of UNIQUE Incentive Customers *

Firms are asked to provide the number of unique incentive customers.

*This refers to individuals using SNAP incentives to purchase fruits and vegetables. (This is NOT the same as new or returning customers.)

*This is the number of unique Double Up shoppers who come to your site. This number may or may not be the same as the Number of Eligible Participants depending on if every SNAP shopper who comes to your site automatically gets Double Up Food Bucks.

Does your firm have the ability to track this metric? You are not required to track this metric.

- ☐ Able to Track
- ☐ Unable to Track

Quarterly Reports

3 Unique Questions

Tracking Number of Eligible Participants

- Unique SNAP shoppers, every unduplicated SNAP shopper that comes to your market

Tracking Number of Transactions Using Double Up

- The number of Double Up transactions (spend only) that occur at your vendor's booths

Tracking Number of Unique Incentive Customers

- The number of people using SNAP to purchase fruits and vegetables, may or may not be the same as number of eligible participants depending on whether or not every one of your shoppers elects to use Double Up

You will **never** be required to be able to track these metrics. Select “Unable to Track” and enter an explanation for why. If you have previously submitted an explanation, type “See previous response”

Ensuring Report Accuracy

Reports should be **complete, accurate** and **timely**.

Review report entry for accuracy **prior to submission**.

Data is **considered final upon submission**.

This program is made possible with the financial support of USDA, the State of Michigan, and a variety of foundation funders.

FFN is **accountable** to these funders and must be able to provide this information to stakeholders.

This information is key to **helping us tell the story** of the program at markets throughout the state!

Record Keeping

Records to Keep

Organizations must be able to provide the following documentation upon request, however Fair Food Network (FFN) will not routinely collect this documentation.

Reporting Component	Checklist
1. Customer Transaction Record sheet for each market day	
2. EBT Verification of SNAP sales when the Double Up program was operating at the market <ol style="list-style-type: none">Copy of batch report for each market day, orMonthly report from EBT processor: Report needs to provide dates of EBT transactions, total number of transactions, and total EBT sales.	
3. *Vendor Reimbursement Records that show vendor Double Up token redemptions each time tokens were collected. Need to show how much each vendor redeemed in Double Up and it must be distinguished from other currencies (like SNAP).	
4. *Copy of Signed Vendor Agreement for each vendor reimbursed for Double Up. Markets must have a signed Vendor Agreement on file dated with the current year, <u>prior</u> to making any reimbursement payments	

**Only applicable to farmers market sites where the grantee/contractor is reimbursing individual vendors. Not applicable to sites (like farm stands and mobile produce delivery models) where no reimbursement occurs.*

Records to Submit

Reporting Component	Checklist
1. Online reports for each quarter that the market operated the program between April and March of the current program year.	
2. *Proof of Vendor Payment for tokens redeemed. Needs to include: vendor name, date of payment, amount of payment that represents Double Up reimbursement, check number OR vendor signature/initials that payment was received. It is preferred that this documentation is uploaded to each quarterly online report.	
3. Complete a Market Manager Survey. Questions regarding your feedback on program expectations, etc. are asked. Completing this survey by November 1st is required. Fair Food Network requires all markets to provide a Year-End survey of markets accepting SNAP.	
4. Report or Return Tokens. Each market must count all tokens and report the total number of tokens on hand at the end of the season. <ol style="list-style-type: none"> The expected amount of tokens is calculated as: <ul style="list-style-type: none"> Starting token count, minus the amount distributed to SNAP customers, plus the amount redeemed by vendors If the amount your market has on hand differs by more than 5% from the expected amount, explanation will be sought for the discrepancy If you are instructed that tokens need to be returned, tokens can be returned at one of MIFMA's Year-End meetings or can be shipped following the directions for shipping records below. You must choose a shipping option that allows you to track your shipment and acknowledge that you are responsible for the tokens until they are delivered to MIFMA. 	

**Only applicable to farmers market sites where the grantee/contractor is reimbursing individual vendors. Not applicable to sites (like farm stands and mobile produce delivery models) where no reimbursement occurs.*

Record Submission

1. Digital Upload with Reports (PREFERRED)

- a. Select “Upload” under “Method for Submitting Documents” and either drag and drop the file to the “File Upload” box using your mouse or click “browse files” to upload the file from your computer.

2. Electronic submission of Documentation

- a. Email documents to marketreporting@fairfoodnetwork.org. If documents are too large (or too numerous) to email, you can request a link to upload your records directly to a secure online folder.

Mail: FedEx, USPS or UPS

- a. You **must** retain a copy of any Double Up records sent by mail and track your shipment. Hard copy records can be shipped to:
Fair Food Network
1250 North Main St, North Suite
Ann Arbor, MI 48104

What happens when it's time for season closeout?

1. FFN will inventory all documentation and online reports, request missing components, check for accuracy and clarify any questions
2. FFN will send a closeout letter via email listing the total dollar value of Double Up incentives reimbursed to vendors **from your market's online reports** and the total number of tokens on-hand **based on the amount reported by your market**. You will have 10 days to review and respond before the market is closed out for the season.
3. We expect that we can allow markets to retain unused incentive funds and roll them over to 2022. Can be returned if preferred.
